The Honorable Rosa DeLauro  
Chairwoman  
Committee on Appropriations  
Washington, DC 20515

The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
Washington, DC 20515

Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting \$1,000,000.00 in funding for the Delaware River Trail Battery Segment Project for fiscal year 2023.

The entity to receive funding for this project is Delaware River Waterfront Corporation, located at 121 N. Columbus Blvd, Philadelphia, PA 19106.

The funding would be used to construct a segment of the Delaware River Trail along a recently acquired public easement adjacent to the Battery, a project transforming the former PECO generating station into a mixed-use residential and commercial destination.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brendan F. Boyle  
Member of Congress
