The Honorable Rosa DeLauro
Chairwoman
Committee on Appropriations
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
Committee on Appropriations
Washington, DC 20515

Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting \$1,500,000.00 in funding for equipment and programming for outpatient drug rehabilitation in fiscal year 2023.

The entity to receive funding for this project Self Help Movement, Inc. located at 2600 Southampton Road, Philadelphia, PA 19116.

The funding would be used to outfit the basement and first floor of the Southampton Road Building to expand the services they currently provide. Federal funding is needed to complete these renovations which would provide a safe and efficient building to continue to serve those in need. The project would be a valuable use of taxpayer funds because Self Help Movement provides critical services to address a national priority of aiding men transitioning from addiction to recovery. Their decades' long track record of moving thousands of individuals away from addiction and to become productive members of society is a vitally needed service that is a very worthy use of taxpayer funds.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brendan F. Boyle
Member of Congress
