Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Northeast Frankford Boys & Girls Club Addition and Expansion Project in fiscal year 2024. The entity to receive funding for this project is the Boys & Girls Clubs of Philadelphia, Inc., located at 1518 Walnut St. Ste 712, Philadelphia, PA 19102. The funding would be used for the reconstruction and expansion of the organization's facility in Philadelphia's Frankford neighborhood.

This project is an appropriate use of taxpayer funds because the Northeast Frankford Boys & Girls Club reconstruction and expansion will enable the organization to significantly expand heavily utilized no-cost community services to in-need youth in some of the lowest income zip codes in the City of Philadelphia. These services include a variety of programmatic offerings of a recreational and fitness based nature, in addition to the offering of community space that is utilized by various other local nonprofits, usage which would be enhanced through completion of this project and will allow the organization to meet a compelling local need consistent with statutory purposes.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brendan F. Boyle".
