The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the ADA and Capital Improvements Project in fiscal year 2027. The entity to receive funding for this project is the City of Philadelphia Office of Homeless Services, located at 1401 John F. Kennedy Blvd, Philadelphia, PA, 19102.

This project will see the renovation of Our Brother's House, a large homeless shelter, in accordance with accessibility standards outlined by the Americans with Disabilities Act (ADA) to better serve disabled individuals experiencing homelessness. The project is an appropriate use of taxpayer funds because, by improving the conditions these individuals are housed in, it will protect the long-term habitability of an existing shelter space while increasing the overall quality of life for residents on the road to self-sufficiency.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brendan F. Boyle".
