Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Reimagining Wayfinding for all in Downtown Center City Philadelphia Project in fiscal year 2027. The entity to receive funding for this project is Center City District, located at 100 S. Broad Street, Suite 1N, Philadelphia, PA, 19110.

This funding will be used to create and install new wayfinding signage products that will meet accessibility standards, be integrated with different transit modes, and reflect a new place identity, facilitating travel planning, navigation, and orientation. The project is an appropriate use of taxpayer funds because, with clear signage and maps, people will be able to better navigate unfamiliar areas, reducing anxiety and less likely to get lost; have more accessibility and safety by avoiding hazardous routes; and have overall better travel experiences, being more motivated to discover local attractions.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brendan F. Boyle".
