The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Fox Chase Pump Station Betterment Project in fiscal year 2027. The entity to receive funding for this project is the Philadelphia Water Department, located at 1101 Market St, 5th Floor, Philadelphia, PA, 19107.

This project will improve water pressure and the long-term reliability of the pump station and its functions. The proposed upgrades to be funded by the grant include the purchase of four pumps, along with the piping, valves, process equipment and electric equipment for the pump starter and associated accessories. This project is an appropriate use of taxpayer funds, because the pump station is essential infrastructure that ensures communities in Northeast Philadelphia have a reliable, safe, and consistent drinking water supply.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brendan F. Boyle".
