The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Frankford Avenue Multimodal Project in fiscal year 2027. The entity to receive funding for this project is the City of Philadelphia, Department of Streets, located at 1600 JFK Blvd, Ste 1700, Philadelphia, PA, 19103.

This project will include the installation of new signage and pavement markings, updated pedestrian scale lighting, sidewalk improvements, landscaping elements, and three new pedestrian rectangular rapid flashing beacons (RRFP) along this key stretch of Frankford Avenue in Northeast Philadelphia. The project is an appropriate use of taxpayer funds because the corridor is the core commercial corridor for the Mayfair neighborhood and is served by multiple SEPTA routes in proximity to the Market-Frankford Line.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brendan F. Boyle".
