The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Frankford Transportation Center Transit-Oriented Affordable Housing Development Project in fiscal year 2027. The entity to receive funding for this project is the City of Philadelphia, Department of Planning and Development, located at 1234 Market St, Philadelphia, PA, 19107.

This project will provide 114 units of affordable housing to individuals between 20% and 80% AMI in a Mixed-Use Development with a supermarket and health center. The project is an appropriate use of taxpayer funds because it will catalyze neighborhood revitalization, spur equitable economic growth, and directly contribute to housing affordability and availability.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brendan F. Boyle".
