The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Wills Eye Hospital Clinical Equipment Modernization Project in fiscal year 2027. The entity to receive funding for this project is City of Philadelphia, located at 1400 John F Kennedy Blvd, Philadelphia, PA, 19107.

This funding will be used to replace essential systems to maintain safe, compliant clinical environments that meet current ventilation, infection control, and patient safety standards. The project is an appropriate use of taxpayer funds because it safeguards access to essential surgical eye care for underserved and medically vulnerable residents who rely on ophthalmic services.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brendan F. Boyle".
